SMALL GRANTS PROGRAM GUIDELINES

• Please read all guidelines prior to submitting application.
• Schedule an appointment with or email a draft to the Executive Director at least 10 days prior to submitting the completed application.

There are two categories: individual artists and organizations.

Grant Awards:

For organizations or individual artists, grant awards will not exceed $1,000, with a minimum award of $100.

Ticket subsidy matching grant awards for a single event will not exceed $200; awards for a series will not exceed $400.

Individuals of a performing group who apply for the same project will be limited to a maximum level of support of $1,000 for the project.

No organization or individual will be awarded more than two Small Grants per year. Priority will be given to projects that display multicultural diversity, have a large impact on tourism in York County, and to projects that have not previously been funded by the Arts Council (ACYC) and to organizations and individuals that are not SC Arts Commission (SCAC) Operating Grant recipients.

Required Match:

1:1 (Applicant: ACYC)
No more than 25% of the total costs of the project may be met by in-kind contributions.

Please Note:

The Arts Council accepts applications that are judged by a panel of volunteers. Due to the highly competitive process, awards are made based on quality, impact, appeal and adherence to guidelines. Prospective applicants MUST discuss the proposed project with the Executive Director prior to the application deadline. Applications with errors, unbalanced budgets and lack of support material may not be considered for support. Corrections WILL NOT be made once the application has been submitted.
Applicants:

Please be aware: applying for Small Grants is a competitive process. There is always more demand for funding than there are available funds. It is imperative that you submit a complete application and prepare for a 10-minute interview with the panel members who will be judging the applications.

Applications must be complete and include bios/resumes and any other information that would make the application stronger. When available, include budget narrative, partners, confirmed dates/locations, and itemized expenses. **Check your work.**

- Consult with the executive director at least 10 days in advance, and submit the application for review prior to the deadline to verify that the application has been completed correctly and in full.

- **Do NOT place the Small Grant Application or accompanying materials in binders or folders. Staple or use a binder clip to secure the materials together.**

- Be prepared for a personal interview and any questions the panel may ask. In preparing for the interview, applicants should assume that panel members do not know their background, or any details of the proposed project. During the interview, applicants must be familiar with the guidelines and application itself.

- Submitting a correctly completed application and arriving prepared for the interview will assure that your application receives the highest marks and the largest funding for the quarter.

**Incomplete applications will NOT be accepted.**

Recipients:

Small Grant Recipients will need to fill out a W9 if their award is $600 or more.

For questions about Small Grants or to have your application reviewed please contact: Debra Heintz, Executive Director; heintzd@yorkcountyarts.org

Review Process:

The initial staff review of applications focuses on the applicant’s eligibility, the project’s conformity to guidelines, accuracy and detail of budget, clarity of narrative, completeness of packet, compliance with grant requirements and confirmation of required support materials.

Eligible applications are sent to panelists for review prior to panel meetings. Funding recommendations based on individual review and the material provided in the grant application are determined by panel consensus.

Each applicant will be personally interviewed by the panel. Failure to provide a representative from the applicant organization for this 10 minute interview may jeopardize funding. Please call the office to make arrangements if you are unable to attend at the assigned time. Each applicant will receive verbal and written notification as to the status of their grant.

Approval and Notification Process:

Staff will notify the grant applicants of their award after the panel decisions are made.

Appeals Process:

An appeal process is available for applicants who believe they have not received fair consideration by the panel. An appeal request, stating the reason for the appeal, must be submitted in writing to the Executive Director within 30 days of the date of the written notification from the panel. An appeal may be granted solely at the discretion of the Board.

Grant Payment:

Recipients will receive one half of Small Grant funds at the beginning of the project. The final half will be paid to the recipient after the project has been completed and the final report, including cancelled checks and sales receipts, has been received and approved.

Small Grants recipients are required to fill out a W9 if their award is $600 or more.

Grant Cancellation:

The ACYC reserves the right to withhold or cancel funds allocated to a recipient in the event that recipient does not meet specified reporting deadlines or changes the project without prior ACYC approval.

General Information:

Volunteer time and other donations for which one would not budget cash are considered in-kind contributions.

Paid professionals’ time allocated toward the project, goods and services for which a fee would normally be paid (printing, utilities, telephone, etc.) are considered part of the cash match.

Once the grant is awarded, no changes in the project will occur without advance written approval of the ACYC.

Accurate records of the project and its expenditures must be kept for all activities related to the grant for a period of three years after the completion of the project. Financial records must be made available upon request by the ACYC, the SCAC or the National Endowment for the Arts (NEA), if applicable.
Publicity Credit:

Organizations receiving grant funds must give appropriate credit to the funding agencies.

ACYC and SCAC logos are to be used in all your grant publicity efforts for grant-supported activities. Logos are available on our website at www.yorkcountyarts.org and on their website at www.southcarolinaarts.com or upon request to the ACYC.

The Subgranting program is funded in part by a generous award from the John and Susan Bennett Memorial Arts Fund of the Coastal Community Foundation of SC. In addition to giving credit to the SC Arts Commission and the National Endowment for the Arts, credit must also be given to this source in all advertising, news releases, printed materials, and promotion and publicity. Samples of promotional material should be submitted with your final report.
