

CONNECTING POSSIBILITIES

ABSTRACT PAINTING

WITH BECKY JO STEELE

VIRTUAL CLASS

DESCRIPTION

Create your own abstract painting that tells your story! Each painting begins with written words and intentions drawn right on the canvas. We'll add color, shapes and symbols, and use additional techniques to develop your painting. By the end of class, you'll have an abstract painting that is all about you to take home and frame. You'll be surprised at what you create!

SUPPLY LIST

- Mixed media paper, aquamedia paper, or canvas- any size
- At least 5 colors of paint, watercolor, or acrylic paints
- A few brushes- different sizes
